RE: Updated remittance instructions — effective immediately

Dear Accounts Payable team,

As part of a consolidation of our treasury accounts, Pacific Northwest Surgical Supply is moving all receivables to a new banking partner. Please update our vendor record so that every payment from your next payment run is sent to the account below. Our previous account will be closed on Friday, and payments sent there after that date will be returned, which may delay settlement of your open invoices.

Bank	Coastline Federal Credit Union
Account name	PNW Surgical Supply Holdings
Routing (ABA)	DEMO-000-000 (not a real routing number)
Account	DEMO-0000000 (not a real account)

To confirm, please reply to this email or call our treasury desk directly at **(971) 555-0199**. Please do not use older phone numbers, as our office lines are being migrated this week. We would also appreciate a list of all open invoices and their scheduled payment dates so we can reconcile before the change.

Thank you for your prompt attention to this matter.

Sincerely,

Dana Reyes
